**ON THE COVER—Fishing the PGI
canals on a windy winter day.**

For those of you who know and elected me your President, I thank you. Sincerely! What an honor it will be to serve this great club and get to meet more of you on a more personal level.

For those of you who don't know me, my name is Mike Gilger and in November of 2013, the membership thought me worthy of their support and voted to elect me President of your PGI Fishing Club. I promise to do your club justice and serve you with all the good intentions I can muster up. Should I falter in any way, you can rest assured that there are many Board members who will gladly kick my... well, set me straight.

My name is Mike Gilger...oops, said that already, didn't I? Guess I'm a bit nervous writing my first article. Jittery nerves make for jumping fingers. Blame my keyboard!

While our Punta Gorda winter is approaching, I am right now enjoying the cooler weather. However, coming from Pennsylvania, I'm keeping my fingers crossed that this great weather doesn't get much cooler but several of my friends have said to me, "Mike, you ain't seen nothin' yet! Wait until January/February. That's when it really gets cold." Are they right? According to some, we can see temperatures drop of the mid-to-high 20s. Let's hope not. I've really gotten to enjoy the tepid atmosphere.

Enough said about me and the cold! How did you do in our final contest for 2013? We ended the season with the fish of the month being black drum. Did you catch yours?

I've been really lucky this past year by being able to hook up with some really great guys from the PGIFC. Their friendship has enabled me to get out on the water much more than I would normally have done. They call and ask if I want to go fishing and my wife, Jessie, says, "Go! Get out and have

fun!" Still haven't figured out if she's kicking me out of the house to have fun or just kicking me out for the day! Hmm! I'll have to look into that one. LOL.

At this time, I'm going to make a suggestion. Last year, we were asking for our membership to submit articles on our magnificent water world, whether it be fishing, boating, boat safety or any other topic regarding our waters. We have heard very little from you so I'm suggesting that for 2014, we let ourselves be heard. As your President, I'd enjoy hearing your thoughts. All you need to do is send whatever article you write to our editor at editor@pgifishingclub.org and he'll do the rest. I'd especially like to hear from our Grand Master Anglers. You didn't get those shirts because of your looks. It was skill and knowledge so how about passing some of that knowledge on to your fellow members. I'm sure they'd like to hear what you have to say.

This is really going to be a fun year. We have many new board members and I know they are going to bring new and fresh ideas to our club. We might change a few things, might not change any but we are sure to at least modify and clarify some. So for that, you'll just have to stay tuned and see what we come up with.

And speaking of which...if you have a suggestion for the club, let us know. We're here for you. So, speak up. We'd love to hear from you. My email is president@pgifishingclub.org.

Now one more suggestion before I end my first article, please read the entire newsletter. There is just so much information you should know about. Our Board works very hard to keep you informed and do us the honor of reading what we write.

Thanks and I'll see you at the January meeting.

Mike

Fishing Events

Joe Udvari

Hello from your new Fishing Events Director. I know I have a tough act to follow since John Wolfinger did a terrific job in this role for the last 2 years. Since John worked closely with Bob Rand (Record Keeper) and Jim Quorollo (Editor), both of whom are still on board, I believe I can manage to stay out of too much trouble by doing the same. I'm really looking forward to serving as your Fishing Events Director (at least until you fire me).

Needless to say, there's a lot of water to cover since our last general meeting in November because our December Christmas Party was all play and no work (except for our now retired Social Director Sherry Moerke and her group of hard working volunteers who slaved tirelessly providing us with a wonderful evening out).

Namely, I need to summarize December's Fish of the Month (FOM) Contest and Ladder of Angling Achievement (LOA) Program Awards, and Year-End Awards. In addition, as a result of reviewing several years of the Club's past fishing results and talking with a number of members, former Officers and Fishing Events Directors, I want to introduce a few changes to the FOM Contest, LOA Program and Club Tournaments going forward. None of these changes are retroactive so what you've accomplished thus far in your LOA stays in place. We just decided to enhance the contests and programs a little to further incentivize members to do what we do best, and that's GO FISHING! But first, last year's results.

December was black drum month and unlike last year, enough were caught to award all three prizes, barely however, since only 3 entries were received. I know the drum were chewing pretty good on crustaceans at the bridges and in the canals in November, but slowed down a bit in December. I also know that awarding these FOM prizes makes John Wolfinger very happy since it keeps his streak of awarding prizes during each month of 2013 intact. Congratulations go out to:

Tom Hickey - 1st place with a \$35 gift certificate to Fishin' Frank's for his 46.5" behemoth black drum.

Rich Brennan - 2nd place with a \$25 gift certificate to Laishley Marine for his 23" half-behemoth black drum.

John Solinger - 3rd place with a \$15 gift certificate to Rio Villa Bait and Tackle for his 15" nicely marked juvenile black drum.

If you did catch a black drum in December and didn't submit it, you may have missed out on a great prize. So make sure that if you do catch a fish of the month or any fish for that matter, attach a picture to an email identifying your full name, length and type of fish, date caught and a note if you used a paid guide, and send it to fishphotos@pgifishingclub.org. It's that easy, and it enters your catch into all of the Club's programs and contests as long as you satisfy each of the respective revised rules for these events. The revised rules can be found on the Club's great website at pgifishingclub.org.

While you're on the computer, why not also post your pictures on the Club's Facebook page so we can all get a real time idea of what's biting.

Our January FOM is sheepshead. As most of you know, just like black drum, sheepshead also love crustaceans and mollusks and in particular shrimp, mud crabs and barnacles, especially this time of year. They hang out near seawalls, dock and trestle pilings, bridge piers and reefs. They are uncanny bait thieves, however, so be quick on the hook set if you're not over reefs and are fishing with J hooks. Although not a reef fish, when fishing for sheepshead over a reef with natural bait you should use a non-stainless steel circle hook. Always make sure and check the latest applicable regulations in effect for where you are fishing. Remember, you can't use a paid guide for any contests except the LOA Program, and your January FOM entries are due no later than February 1.

A complete listing of FOM species being targeted in 2014 may also be found on our Web site under the

(Continued on page 5)

(Continued from page 4)

FOM Contest Rules. The list is almost identical to last year's list except that we switched snook and tarpon so that members can keep their legal sized snook in September if they choose to and the snook season reopens September 1 as anticipated.

The LOA results are nicely summarized later in this Newsletter, and awards for both November and December will be handed out at our next general meeting on January 14. I just want to recognize and congratulate **Tom Hickey** for achieving Grand Master Angler status in November of 2013. That's a tough level to achieve and he earned his shirt and cemented this HUUUGE accomplishment by catching some real nice quality fish this year.

The results for the 2013 Year-End Awards are also summarized below and I look forward to awarding each of the prizes in the Master Angler Tournament (MAT) and Isles Trophy Race (ITR) on January 14. Although I and many others tried hard to get in the winner's circle, we came up short (literally). Congratulations to all the skilled (and somewhat lucky?) anglers who wound up winning these coveted awards.

Lastly, I'll briefly summarize some of the changes to Fishing Events beginning in 2014. More discussion will take place during our January meeting if time allows and during the February general meeting when we perhaps have a less jam-packed meeting agenda.

The FOM Contest will award prizes each month to both the top 3 male and top 3 female an-

glers with the intent to incentivize the women to fish even more and submit their entries. Awarding more prizes to Club members is not a bad thing, right?

An 8th level was added to the LOA Program to continue to motivate Grand Master Anglers (GMA) after they receive their shirt. A star will be awarded to each GMA for accumulating 2000 points during any year after receiving their shirt. I can already envision multi-star GMAs among our ranks within a few years.

A July fishing outing/tournament will be added to supplement the outings typically held in March and October, weather permitting. Instead of targeting spotted seatrout, redfish, snook and grouper, the July outing will award prizes to the member catching the longest tarpon, shark, stingray and redfish. Only one prize per member as usual, but it should be fun to see what trophy fish we can catch in the heat of the summer.

A few more revisions were made to the rules governing our LOA, FOM, MAT and ITR programs and contests. Visit our website to read up on all of these rules.

We are truly lucky to fish here and enjoy the weather. So drop a line in the water and catch some fish for a chance to share in the bounty of all that our Club and great area has to offer. Come before 7 pm on January 14 to leave enough time to pick up your raffle and 50/50 tickets, and to grab a good seat. C U then!

Wow, what an amazing year!

Yes, I'm back, or rather, I haven't left so you're stuck with me for at least another year as your Membership Director! I love this job and don't plan on leaving it all too soon, so yeah, you get to see me again this year.

2013 was a very busy year for the fishing club.

Back in the summer of 1980, Ben Ugoretz and four of his buddies realized they had one dream for retirement. They wanted to fish. The five men (and their wives) lived in Punta Gorda Isles and yet, knew almost nothing about fishing these vast waterways. They decided to see if they could get local guides to help them out. They soon also realized that in order to have guides help them, they'd need a club. So with the "nod of approval" from the PGICA, the PGI Fishing Club was born.

As I said, they started out with FIVE MEN AND THEIR WIVES!! Now, here we are 34 years later and boy, have we grown!

We can now boast a whopping 281 memberships!!! THAT EQUALS 540 INDIVIDUAL MEMBERS...can you imagine? I'm sure Ben and his buddies are smiling down on us in awe.

In the year 2013, we registered 73 new household memberships equaling a total of 141 new individual members. Can you even imagine having 140 new members join one club in one year? Mind boggling, isn't it? Yet, we did it. I guess words gets around that we are one-of-kind club.

When I took over Membership, we had a total of 167 household memberships. Look at us now! We're not just fishing, we are soaring!

Time is getting away from me and I really need to get this article to our Editor so without further ado, let me introduce you to our newest members:

PETER & LINDA CHURCH

ANTHONY & LAURIE GRAY

ALEX & KATHY LYLE

TED & SANDY WIERZBANOWSKI (if you're not sure how to say his name, it's pronounced veerz-ban-owski – trust me, I'm Polish. I know these things.)

CANDY & GEORGE WOOD

FRANK & SHERRY BARRETT

PAUL BRISSON & MANON LORTIE

DAVID & MAGGIE KESSLER

GERRY & ANNEMAIRE SMITH

SANDY SNOW & MARCIA HARPER

While it's true that with every new year we lose a few members, we gain that many more. We may lose some because they move; others may get bored (although for the life of me, I can't imagine how or why) and others reach that door at the end of their life's tunnel. Whatever reason, we always lose a few people. But as I said, for every one we lose, we gain at least two more.

So please welcome all our newest members. They will be wearing stars on their badges. Make them feel welcome; talk to them; take them fishing. Never forget, that new friend you make just might turn out to be your newest best friend. I should know...been there, done that – often.

So in the meantime, have fun on the water. Catch those big guys and most of all, stay safe.

Donnie

Sunshine Lady

Donnie Brennan

As we begin a new year, I hope all of you had a great ending to our previous one.

I've sent out a few cards last year and it's so nice to hear how everyone enjoyed hearing from the PGI Fishing Club.

In December, a sympathy card was sent to Peggy Parson whose father passed away. I know I speak for the entire club when we say that our thoughts and prayers are with her during her time of mourning.

Now, for those who are new to the club...here is what I do. When I am notified that someone is ill or maybe had an accident, I send an appropriate cards filled with best wishes from the PGI Fishing Club. I'll even send out a birthday or anniversary card. All you need to do is give me the information: name

and reason.

Each card is unique and made to fit the person and/or the incident. Some are humorous (if requested) others casual and others even serious. You give me the information I need and I do the rest.

So if you think you know of someone who could use a bit of sunshine in their lives, just email me at sunshine@pgifishingclub.org.

Remember, hugs are free. I give to those who need them.

Don't forget, I'm the eternal optimist. No smile is too small to share.

((((((((((((((big hugs))))))))))))))

Social Events

Sandi Rosen

Iwould like to introduce myself. My name is Sandi Rosen and I am the new Social Events Director for your PGI Fishing Club.

I am looking forward to a year filled with fun events and possibly a few surprises.

I know I have a big job ahead of me to fill the shoes of our out-going Social Events Director, Sherry Moerke who, by the way, did an outstanding job. It is a task that I fully intend to give my wholehearted effort and hopefully you will be pleased with some of the changes I plan to make.

As your know, the club has grown significantly in the past few years. We have grown to a point where we have outgrown our capacity for our holiday party at the PGICA. With over 500 members and over 50 new members this year alone, we found it necessary to turn people away from attending the holiday party. That is something we did not want to do but had no choice.

In all fairness, we have decided to move the venue to a larger facility. We are now working on the plans for December 2014 where everyone who wishes to attend can do so. At this time, the particulars have not been formalized. I will keep you informed as plans develop and become solidified. One particular place we are looking at now can promise us a sit down served dinner, appetizers,

desserts with a choice of 2 or 3 entrees at a minimal cost increase to our membership.

I will keep you informed as plans progress. As to the annual picnic, this year it is scheduled for March 22nd with a rain date of March 23rd. This will be a picnic you will not want to miss AND one we guarantee you will NEVER forget! Fishin' Frank (yes, from THAT bait and tackle shop) has agreed to come and set up and run his fishing simulator!! Not only will you have the opportunity to try out electronic fishing but you will also be competing with your fellow anglers for the largest electronic score! AND of course, we will also be having other games along with additional prizes.

The cost will be held at the usual \$5.00 per membership (of one or two) which will include fried chicken, coleslaw, potato salad, soft drinks, watermelon AND FUN!! Appetizers and desserts will be provided by attending members, as always. We hope you will all put this date on your calendars. So...I am looking forward to meeting and working with many new faces this year and I will be soliciting volunteers to help with the various parties and projects.

I will be introducing myself at the January meeting and hope to see you all there!

Happy and healthy new year to all.
