## FROM THE HELM

President:  
Gary Skillicorn

Here we are in the heat, rain, and mosquitoes. It must be summer. Have faith, the days are already getting shorter.

Here are some items of interest:

1. Margie Hoffman, with Jim by her side, is battling pancreatic cancer. They are in the fight for her life we know she will win. They would appreciate your prayers but no calls please.
2. News from FWC: Last day for red snapper is July 20<sup>th</sup>. Gag grouper is open until December 31<sup>st</sup> in Federal and State waters. Check the official announcements. Not much consideration right now but watch for size and bag limit changes for Sheepshead and Tripletail.
3. For a change consider scalloping. Yes, you're in the water and an easy target for a big fish! That's only fair. The season is now open along the northwest Florida coast. I organized a scalloping trip for the Dive club several years ago and had a blast. You have to be quick to grab a scallop!
4. Looking for a couple more members to join the 2019 officer & board nominating committee. Be proactive. This way no one will be asking you to accept a position!
5. Are you a supporter of the program to take new members out on the water? Continuing the program is in jeopardy. We need several more folks to serve as sponsors to take new club members, either for fishing or a harbor orientation. The months of July, September, November, and December are open. Pick a month please? Thanks to John Gettinger, Rich Brennan, Randy Douet, Rick Sarkisian, and Gretchen Sunderland for volunteering.

6. Chris Pflaum and Greg Au took another group of kids from Crossroads Hope Academy for a fishing outing June 23rd. Contact Chris at [ccpflaum@hotmail.com](mailto:ccpflaum@hotmail.com) if you'd like to help out on a future trip with your boat or as a mate. Talk to Chris and Greg about their rewarding experience.
7. The Wednesday 5 pm Happy Hour at the Sheraton Tiki Hut is a good way to meet fellow members and swap stories and/or lies. The women enjoy the sharing too, but only stories – no lies. Come on out and join us!
8. The Red Tide seems to be closing in on us. So far I've only heard of reports at the passes and beaches. Let's hope it keeps distant. At least now we have something to blame for a bad fishing day on the water!
9. Watch those afternoon pop up thunderstorms. Having a good radar app on your phone is great way to keep clear.
10. I'd like to encourage members to join and use the club Facebook site. This is only for club members.

## JOHN'S FISHING REPORT

Vice President:  
John McFarland

Spending time fishing on a boat can be an enjoyable experience but it can change fast if someone becomes ill. A medical person isn't on board, you are far from the 911 system or a fast response from an ambulance. A fishing buddy is suddenly injured, becomes ill, or worse falls unconscious? Do you know what to do and have what you need? Sure, you do... because you attended the July 10 membership meeting in which Dr. Jim McCarty will be talking about the appropriate responses to health issues while on the water.

Have a safe and happy 4<sup>th</sup> of July!

At last month's membership meeting Rich Brennan brought up an incident that is becoming all too familiar to members fishing in the back country behind the East wall. It's jet skiers using the shallow narrow pathways and hairpin turns as a race track similar to that of an off-road motocross course. The high-pitched sound of jet skis roaring through mangrove areas and banking through tight turns not only shuts down fishing but shows little regard for the safety of other boaters in the area.

I recently spoke to an FWC enforcement officer to determine if such activities are a violation of FWC rules. The officer stated that if there are no positing's (manatee zone, no wake zone, minimum wake zone, etc.) then, most likely, the jet skiers were not in violation of any specific rule. However, he added; Operators of watercraft are responsible for operating their vessel in a reasonable and prudent manner with regard for other vessel traffic and circumstances to not endanger people or property. Further he stated that any willful disregard for others safety or property is a first-degree misdemeanor and a citation for reckless operation could be issued. He suggested a call to the FWC dispatch at 813.558.5050 (press option 7) would be the appropriate action to take if such an incident is observed.

Here's where the rub comes in. Upon receiving a call FWC will dispatch one of its officers to investigate the incident- if one is in the area. We all know that could take a long time- or may never happen at all. FWC officers cover a large territory (all of Charlotte County) and the scope of their enforcement efforts seem to be more narrowly focused on more immediate issues. Regardless of these constraints my suggestion is to act and call 813.558.5050 (press option 7) if you observe such careless operation or other rule violations.

Persistence and tenacity is what makes things happen- so expect a third and fourth attempt to resolve a problem. I can help too by organizing your efforts. E-mail me [newspace@sbcglobal.net](mailto:newspace@sbcglobal.net) the time and date of your call to FWC and a brief description of the incident. I can then follow-up with FWC to help focus their efforts toward resolving the problem you are experiencing. We have over 400 members strong and numbers mean something considering the constraints impacting FWC.

### June Fishing Report

Well, it's been another month. The fishing looks to be a little better, but we're still not seeing many reds. Also, seems like the snook are a little off. I read some interesting info this month regarding the lack of reds. Some are now theorizing that red tide has played a big part in that it clobbered a couple of year classes 4 or 5 years ago. That said, I'm sure the current red tide situation isn't helping either. Remember the fish kill during the fall of 2016? That wiped out thousands (probably tens of thousands) of mullet. That had to seriously affect the mullet spawns for at least a couple of years. With finger mullet being a prime source of food for both reds and snook that has to have an effect also.

Ok, now for some good news. Lake Ontario is back to a more normal level, almost 3 feet below last year's disaster. Our break wall has been replaced, we have a new landscape wall and the lawn has been graded and seeded. The store is going 'gang busters' and we are both looking forward to returning to PGI in October.

### More Good News!

Two new GMA's this month. Let's welcome to the ranks Dennis Krausman and Mark Dillman. Congratulations Guys.

Good day, everyone...

Happy 4<sup>th</sup>! Hope you enjoyed your holiday.

I had a great time in the north visiting family but all the camaraderie made me think. Our club is very much like family in the way that we all look out for each other. We may not socialize every week or even every month, but when the chips are down, we're there for each other.

Now the club needs you! We need people to step up and volunteer for certain positions that will be vacated at the end of this year. Please contact our President to see which are available and where you can help!

All that said, it's time now, to introduce our new members:

STEVE AND BARBARA PINENTAL

FRED AND COLEEN DeMELLA

Don't forget to keep an eye out for the newbies in the club. Let's make them feel welcome. Remember, you were new once, too. You know the rule: each new member's badge displays a star indicating their new membership. Let's give them all a GREAT BIG welcome.

Go introduce yourselves. Take a new guy or gal fishing. Make a new friend. Remember my motto: "any new friend you make just might turn out to be your new best friend."

## SOCIAL EVENTS

Social Events Directors:  
Patti Topper & Paula Arnold

Well summer is definitely here. Rain almost every afternoon. ☔☔☔☔☔ It is keeping our grass green and our pool at a somewhat refreshing temperature.

Please join us on Wednesday evenings 5 pm at the Tiki Hut (behind the Sheraton). Everyone enjoys a cold beverage and interesting conversation. Several folks then go out to dinner at local restaurants. It's a great way to get acquainted with other club members.

We also have a social time after our monthly meeting. (second Tuesday of every month ) Stop by the kitchen to enjoy a small dessert and cold drink. Again, a great way of getting to know other members.

We are planning a club picnic for October. The club sponsors will be our guests. More details will be available after our next meeting.

Everybody get out there and catch some fish!

Paula and Patti

### CLUB CALENDAR

Tiki Hut: Every Wednesday at 5pm followed by dinner around 6pm, for those wanting to join.

Breakfast: Tuesday and Friday mornings, 7am at Elena's.

Club Meeting: At PGICA every 2nd Tuesday of the month at 7pm.

Ladies Lunch and Dinner: Scheduled by Sherry Barrett. See details in the 'Ladies Liaison' section.

## **LADIES LIAISON**

Ladies Liaison  
Sherry Barrett

Hi Ladies,

It seems as though the month of June just flew by in a hurry. On June 21<sup>st</sup>, a few ladies joined me at my home for drinks and appetizers, and agreed that we all seem to enjoy gathering at someone's home for the evening rather than going out. We also agreed that having our husbands join us when we are a very small group it is a bit nicer, and more enjoyable for all. I think after talking with Patti Topper and Paula Arnold, (Social Directors), that we might just try that in the future, at least occasionally. Lunch is another venue and we may consider something different in the coming months, such as alternating months for lunch and dinner.

For the months of July and August, since many of us are continuing to travel, (myself included), we will dispense with any specific activities for the ladies. We will resume activities in September when people return to Punta Gorda, as this summer has been an extremely active travel period, so keep tuned for upcoming events. I hope all of you enjoy the rest of the summer with friends and family, whether here or out of town.

## SUNSHINE LADY

Donnie Brennan  
Sunshine Lady

No cards were sent in June.

As many of you already know, Margie, who has always been a special person in our club, is undergoing treatment for cancer. If you'd like to send a card to Jim or Margie, don't hesitate to call me and I'll give you their contact information.

Please remember, whether or not names are announced, the purpose of the "Sunshine Lady" is to bring a bit of sunshine to those who are feeling a bit "under the weather".

Each person gets a personalized, hand-crafted card to brighten their day.

However, there's only so much I can do. Here's how you can help me.

I need you to call or email me and let me know if there is someone who needs a card. The reason doesn't matter, it could be get well, sympathy, or a funny birthday card ... whatever it is, it can't be sent unless I know about it so, that said .....

You can either notify me by phone (941-626-4903) but email is the best way.

Thank you and have a great July.

## CELEBRATION

Donnie Brennan  
Sunshine Lady

### CELEBRATION TIME, COME ON!

*There's a party goin' on right here.  
A dedication to last throughout the year.  
So bring your good times and your laughter too  
We're gonna celebrate and party with you.*

Ah, July! Time for us to enjoy our parties, eat burgers and dogs but most of all to reminisce on why we're able to enjoy these parties. Time to reflect on our freedom and what we did to gain it and what we still do to keep it.

Never be embarrassed or intimidated to display your Flag.

The meaning of the colors of our Flag, while nothing was ever written to document their veracity, is: the White represents purity and innocence, the Red, hardiness, and valor, and the Blue signifies vigilance, perseverance, and justice. "The stars are meant to mean symbols of the heavens and the divine goal to which man has aspired from time immemorial; the strips is symbolic of the rays of light emanating from the sun".

A "gold fringe" on a Flag is sewn on by a person or organization and neither has the approval or disapproval of Congress. The fringe is completely optional BUT should never be used on a Flag which will be flown outdoors.

For more information on what our Flag means and the proper ways to display it, please check out a few of them on the Internet.

Now, for my "being born is" series.

A few things about those born in July:

1. **July born are naturally hilarious. They are the funniest.**
2. **Family means everything to them.**
3. **Good organizers!**
4. **Financial security is important to them.**
5. **July borns have a strong sense of sympathy and they treat others equally.**
6. **They're forgiving but never forget.**

JOE WAGNER  
TAMARA DILLMAN

When you see these people at our next meeting, I think it would be a great idea to wish them each very happy birthday.

Hope you all have the time to party, party, party!

There are a few speical couples celebrating their anniversary in July.

Let's wish a happy celebration to:

DARLENE & VINNIE MADSEN  
TAMARA & MARK DILLMAN  
HEZZIE & DONNETTE SAMONS  
FRANK & SHERRY BARRETT

Remember - if you want to send a birthday or anniversary wish to someone, just email me ([sunshine@pgifishingclub.org](mailto:sunshine@pgifishingclub.org)) and I'll be sure to get it. All I need is the name and birth month, unless you want to provide the year for a special shout out.

## PGI MARINE WATCH

Bill Guenther  
Group Coordinator

If you can volunteer no more than 2-hours each month and have a boat, then you may want to consider becoming a member of one of the most unique community volunteer groups in Southwest Florida. Each day of the month PGI NMW members rise up in the night and early morning hours, launch their personal boats and go “On Patrol” to observe and report all suspicious boating or land activity to the Punta Gorda Police Department night dispatcher.

We prefer all members have a boat that they can use for their monthly patrol. However, you do not have to own a boat to become a member. You can act as “crew” during any other members patrol or, in the event of inclement weather or other unsafe “on-the-water” conditions, perform your 2-hour patrol at pre-designated land locations in your vehicle.

The preferred boat size is 17 to 23 feet, with either a T-top or bow rail to display “Patrol Boat” signage that identifies your vessel as a PGI Neighborhood Marine Watch Patrol Boat.

For additional information and to become a member of the PGI Neighborhood Marine Watch program, contact: Bill Guenther, Group Coordinator, ([radioman3029@comast.net](mailto:radioman3029@comast.net)) for additional information.
