

PUNTA GORDA ISLES FISHING CLUB

FROM THE HELM

President:
Randy Douet

The days are finally getting shorter, but we have had no heat relief. Water temperature while fishing yesterday was 91.8 degrees at some places. The tannic water issues this year are far less than previous summers...that should lead to an earlier-than-normal clearing process later this fall. A small relief in high gas prices has a few of us offshore more frequently now. Most reports are that the targeted species are a bit further out than previous, but they're there. No red tide anywhere in SW Florida. That's also great news. Speaking of red tide, the long closure of redfish harvest ended on September 1st when the FWC fixed the limit back to "one red". But a vessel limit of two reds were introduced, along with a prohibition of using your guide's personal catch limit. Snook on the other hand was NOT reopened. FWC is receiving lots of flack about "changing their mind" two days before it was set to open. I personally like the idea of keeping Snook closed, but I deplore the fickleness of the FWC decision making.

Couple of big community assistance events coming up: the International Coastal Beach Cleanup occurs on September 17th, and the 2022 Charlotte County Cast 4 Kids event is October 22nd. More info on both will be at our September 13th General meeting and Facebook.

As the calendar year begins to get busy with the beginning of Season, please consider helping out in leadership roles in our Fishing Club. There are several KEY needs for next year. President, Vice President, Events Director, and Newsletter Editor. If you happen to be a Snowbird and feel that somehow disqualifies you, you're incorrect! If the position needs it, we can find you an "assistant" to help out. Please consider helping. Many of our members have been in the Club for years and are waiting on their situation to improve where they feel that they can help. That time is now. All of the current off-going Directors are eager to help you out next year...making a smooth transition.

September is Trout month; October is Redfish month. We're organizing a tournament event in October. Details for the tourney will be communicated at the September 13th General meeting. Save the Dates: Chili cook-off is November 6th, and the Christmas party is December 14th.

Tight lines,
Randy

REMEMBERING BEVAN RUCKER

Bevan Rucker passed away on Friday July 29th, 2022.

Bevan was born in Cleveland, Ohio on September 23rd, 1945, to Jane and William Hay. She graduated from Collinwood High School, and then worked at Lincoln Electric Co from 1967 to 1986 as a Lab. Tech.

Bevan married Patrick B. Clarke, a Cleveland Police Officer, on November 10th, 1967. They loved Boating and belonged to Northeast Yacht Club in Cleveland for 17 years. Pat died on July 8th, 1985.

Bevan then moved to Toledo, Ohio where she met and married her beloved husband Rex Rucker, a retired Marine. They belonged to the River View Yacht Club, where she served as President of the International Satin Gavel. Bev and Rex loved Boating, fishing and golf. Rex passed away on June 10th, 2002.

In December of 2003, Bevan's friends of 40 years, Jim and Margie Hoffman, moved to Punta Gorda, FL. She visited them several times, liked the area and stayed with them for a few months at the end of 2004, while looking for a condo. She found one at Fountain Court and purchased it in January of 2005. Bev joined the Punta Gorda Isles Fishing Club where Jim and Margie were members and got involved in offshore fishing which she really loved. She was the 2nd woman to get her Grand Master Fishing Title in 2007, which she was very proud of.

Bev loved to swim with the Dolphins on the way to Key West.

Her and Rex's ashes will be placed in a bronze urn with Dolphins on it and dropped onto the USS MOHALK WPG 78, a 165 ft. Navy ship that was christened in 1934. It was sunk in the Gulf of Mexico as a Veterans Memorial Reel in 90 feet of water, 30 miles off of Sanibel Island, FL, on July 2nd, 2012. Coordinates are N26 33.075 W82 43.481. Her and Rex will be together forever and can swim with the dolphins for eternity.

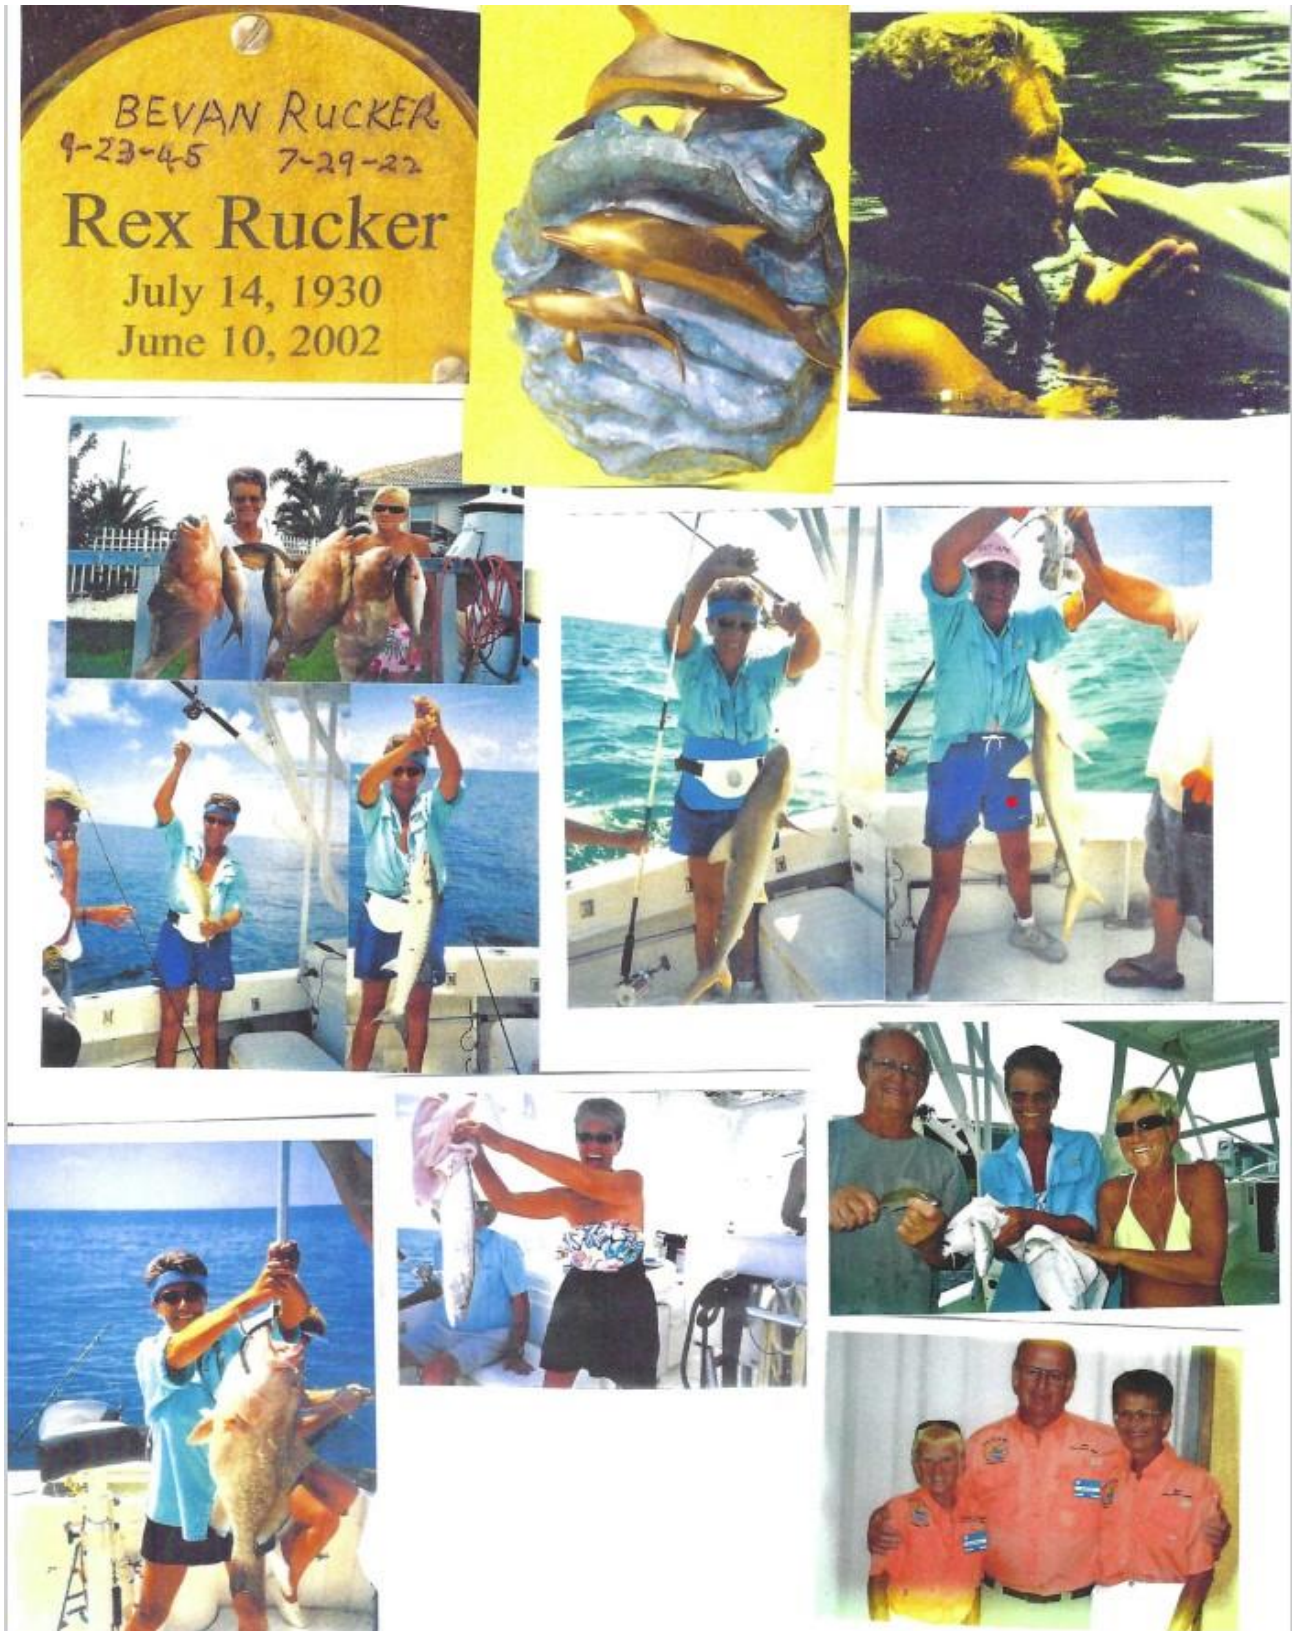

I will miss her greatly. Her and Margie were like sisters for 55 years. Now they are both gone to the Great Fishing Boat in the Heavens. I know they will be looking out for me together.

This was written with Love and Sorrow for both of them,

Jim Hoffman

STATISTICS & REPORTS

The Month in Review (August 2022)

Record Keeper:
Paul Whiting

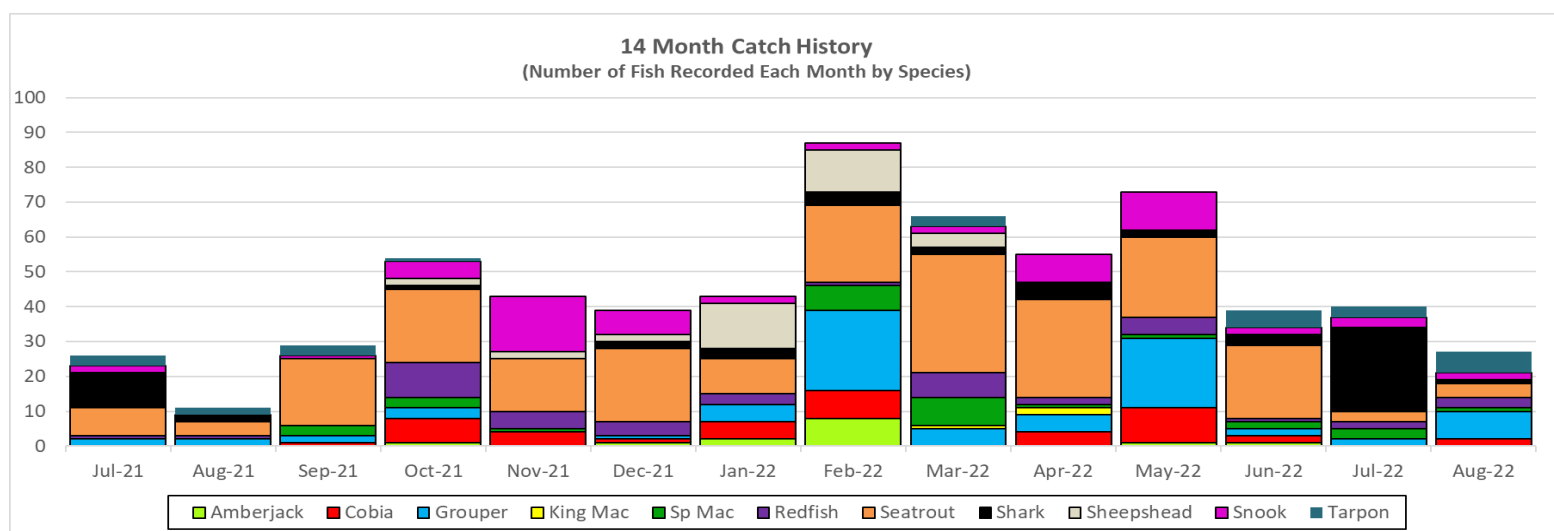

Tidbits

Our Fish of the Month, Tarpon, were reported by only 4 anglers totaling 6 fish. Several large Black Drum (23) were caught in our canals ranging from 35" to 42". Three anglers were able to get offshore dodging the storms to catch the last of the red grouper (8) whose season is being closed early at the end of this month. Chip Peterson earned both his Gold and Snook Pins in one month. Cathy Hunt earned her Third GMA Star and veteran angler Joe Udvari proved why he is still a Master angler by earning his NINETH GMA Star – the most ever earned in the club -- Congratulations!

Rich Kale broke his old club record for Cobia set last year by a full 10 inches, recording a huge 66" monster that now leads the Isles Trophy for men with a score of 117.9% of the old record.

Hoping this finds everyone well and enjoying time out on the water. It's almost time to welcome back our snowbirds so our social committee is gearing up for more fun for our members beyond fishing.

Our next general meeting is **Tuesday, September 13th**. If you would like to show off your baking skills and share some goodies with our members for our social after the meeting, they are always welcomed and thoroughly enjoyed by our members.

International Coastal Clean-up is being held on **Saturday, September 17th** at Laishley Park. We hope many of our members will join the cause, and help clean up our local waters by boat, kayak or walking the shoreline. Check in is at 8:30am, and you return at 12pm for Lunch, Music and Raffle Baskets. Help us keep Florida Beautiful and particularly, our little piece of paradise. Call 941-815-3111 if you are interested in taking part.

Bunco continues to be a tremendous success for the ladies, and we are starting up again in September, with Debra Guido welcoming our members to her lovely home on **Tuesday, September 20th**. Always a great time with good food, great laughs, and yes, some Bunco! No skill or prior experience is needed so please come and join us. Sign up on Fishing Club page on the PGICA website. Looking for hosts the next few months so please let me know if you are interested- you choose the date and number of attendees!

We are going to try our Sunset Sunday in October and hope that rain storms stay away. Please join us the first Sunday of every month at Ponce DeLeon Park for a BYOB Happy Hour, and sunset. Bring chairs and possibly any games (cornhole anyone?) that you might want to get a rousing game started. Sunset is projected to be at 7:26pm on **Sunday, October 2nd**, so feel free to come join us around 6pm and swap some fishing stories.

Please consider volunteering, either as a Shore Volunteer or a Captain, for the C.A.S.T 4 Kids event at Laishley Park on **Saturday, October 22, 2022**. This is a C.A.S.T. for Kids event designed to provide children with disabilities, ages 6 – 18, the opportunity to enjoy a quality outdoor recreational experience through the sport of fishing. Take to the water with C.A.S.T. for an unforgettable morning of fishing and boating! Many of us did it last year and it was extremely inspiring and a fun event to take part in. SOCIAL EVENTS

Our Fall Picnic will be **Sunday, November 6th**, at the PGICA clubhouse, from 4pm to 7pm. This will be a Chili Cook off, which will include prizes, including gift cards for the best chili! So, get out your recipes and show us your best chili recipe. We are hoping to have some live music as well, so plan on getting some dancing in as well to work off all the good food. More on sign up and cost will be available at the September meeting.

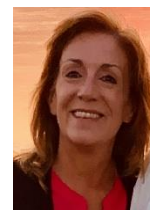

Save the date for our Christmas party on **Wednesday, December 14th**, 5pm at the Isles Yacht Club. It's always a fabulous time. More to come on cost and sign up.

We have moved our **Happy Hour to the Elks club every Wednesday**- We have had some great turnouts and its great to see old friends and meet new ones- we are seeing many folks joining us for the first time and coming back weekly. Look for the Happy Hour Fishing Flag and members in their GMA shirts. You do not have to be a member to attend, and Elk members will wear their Elks nametags as well so they can help aid in getting drinks. They do have food there (order by 6:30) and many members stay for some great music and dancing. We hope to see many of you there in the future. During hot or rainy weather, we can go inside as well.

There were quite a few suggestions that we do more fishing events together as a group. I would love to have someone take lead on looking into assorted options, such as day trips on our boats to Cayo Costa, so if you would like to work on a subcommittee that focuses on club fishing events, please reach out to me and I will certainly be happy to support you from an administrative/sign up functions, etc. The more the merrier to join this subcommittee would be great!

We have some promising ideas already in the works for 2022 but we can always use more involvement as well. We are committed to ensuring we meet the needs of our members so please supply feedback on what events you would like to try. Please reach out to me with your invaluable input. My email is chf0729@aol.com and my phone is 443-534-7890. If you would like to get involved and help with the social committee, the more the merrier.

PUNTA GORDA ISLES MARINE WATCH

HELP US TO HELP YOU

What is Punta Gorda Isles Marine Watch ("PGI Marine Watch")?

PGI Marine Watch is a volunteer on-the-water and land surveillance program like no other in Southwest Florida. The program was founded over ten years ago by Bill Guenther, a PGI resident, when he identified a need for increased security in the canals because of the increasing number of homes being built and residents moving to Punta Gorda Isles. Our group works in conjunction with the Punta Gorda Police Department, as a watch and report program. We act as a deterrent to those individuals who may be considering the theft of a boat or other marine equipment, as well as illegal netting activity. Since its inception in 2009, the PGI Marine Watch has been an active part of reducing marine crime in Punta Gorda Isles.

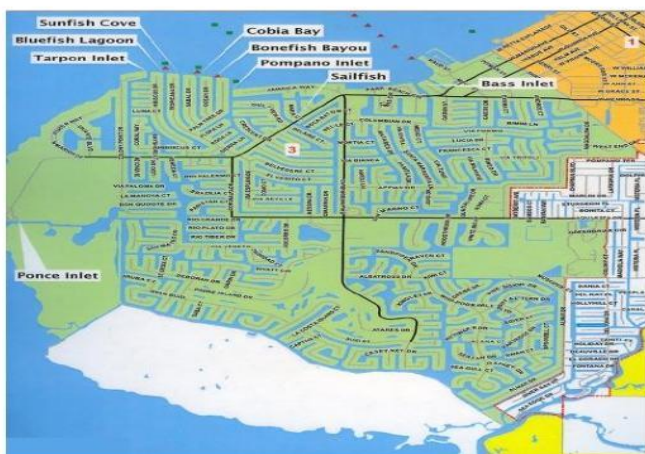

What do our members do?

The volunteer members of the PGI Marine Watch use their own boats to patrol once a month for a two hour period. Some of our members partner with another PGI Marine Watch member and complete their patrol together, alternating boats. Some of our members patrol with a friend or their spouse. The patrol dates are flexible to fit your schedule and once your patrol is complete you email your report for the program records.

What is required to volunteer with the PGI Marine Watch?

The only requirement to volunteer with the PGI Marine Watch is a desire to help your community. The PGI Marine Watch program provides you with signage for your boat and works with you to determine which patrol area works best for you based upon where you reside. The preferred boat size is at least 19 feet in length due to the occasional rough waters in Charlotte Harbor, with either a T-top or bow rail to display the "PGI Marine Watch" sign. Our PGI Marine Watch volunteers also are authorized to receive a 5% fuel discount at Fisherman's Village Marine.

How can I join?

If you can volunteer two hours each month, then you may want to consider becoming a member of one of the most unique community volunteer groups in Southwest Florida. Contact us to receive more information and an application:
